

A festive poster for Valentine's Spirit Week. The background is a light pink color with various heart patterns scattered throughout, including solid red hearts, hearts with polka dots, hearts with plaid patterns, and hearts with stripes. The main title 'Valentine's Spirit Week' is written in a large, bubbly, red font with a white outline. Below the title, the event details are written in a smaller, dark red font. At the bottom, five large red hearts are arranged horizontally, each containing text for a specific day of the week.
